Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: the present invention provides a method of gastronomic decision and instruction system over wired or wireless means, using an intelligent Keyboard, a cellular telephone and a mobile device, a stationary device, a central server and a multiplexing transmitter and receiver.

The prior art of record in combination or alone fails to teach or suggest these elements of the independent claim 15 in combination with others. For example independent claim 15 has claim limitation such as mobile device, a central server, means for communicating with one or more websites and servers, including communication with websites and servers maintained by the vendors for the desired information, means for a vendor establishment and or the customer to enable a customer profile including a photo and other pertinent information for use in conjunction with a stationary or mobile device, means for vendor establishment to recognize the mobile device /customer to access a customer access the customer profile including the photo of the customer for one or more applications including friendly greeting, means for assigning preferred seating including by automatic means, means for selection and ordering of desired food items by the customer including by automatic means: including means for preparation of food items by the vendor according to the recipe or specific instructions of the customer including by automatic means, further including means for ensuring that the customer's health sensitivity is maintained and allergic and harmful ingredients are indicated/excluded by working in tandem with information contained in the customer profile, the mobile device, the local server and or the network server,

including by automatic means. For the above reasons independent claim 15 and its dependent claims 16-21, are allowable.

2. Claims 15-21, are allowed.

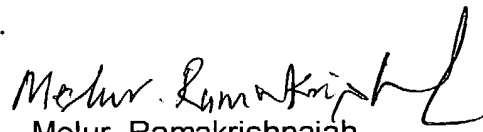

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Melur Ramakrishnaiah whose telephone number is (703) 305-1461. The examiner can normally be reached on **M-F** 6:30-4:00; every other **F** Off.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Curtis Kuntz can be reached on (703)305-4708. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
